ALPINE™ WEIGHTED AIRLINE

- Made From Strong/Heavy Duty Material
- Self-Weighted
- Lifetime Warranty

Alpine™ Self-Weighted Airline offers the perfect balance of flexibility and weight. Alpine™ airline sinks directly to the bottom and will not kink or break. Alpine™ tubing is a high density, flexible tubing that features a thick, 1/4" sidewall.

Item Number:

40.1041: Alpine™ Self-Weighted Tubing 1/2" ID 100' Boxed Roll

40.1042: Alpine™ Self-Weighted Tubing 1/2" ID 500' Continuous Reel
