

## CLEARLAKE™ ALPINE BLUE POND & LAKE DYE

- Dyes Water A Brilliant Blue
- Add Natural Beauty To Ponds & Lakes
- Offsets Negative Effects Of Sunlight
- Powerful, Long Lasting
- All-Natural
- Harmless To People & Animals
- Will Not Stain Once Applied

ClearLake™ Alpine Blue™ Aquatic Dye's power formula adds natural beauty to ponds, lakes, fountains, lagoons, etc., coloring them a beautiful, natural blue. Alpine Blue™ darkens water to offset the negative effects sunlight has on natural water bodies while providing shade cover to shield fish from predators. Alpine Blue™ keeps water cool which helps keep fish from being stressed and maintains a more stable thermocline (layers of the pond).
