All-Natural**

DESCRIPTION

Keep your pond or lake vibrant all year round with ClearLake Cold Water Clarifier. Even in chilly weather, this formula maintains water clarity and health. Specially selected bacteria strains combat excess nutrients during winter, including leaves, twigs, and fish waste. Perfect for temperatures below 50°F/10°C. Each 8 oz dose is conveniently packaged in water-soluble bags for easy application.

DOSING APPLICATION

Initial Application:

6 lb per surface acre of water.

Maintenance Application:

2 to 3 lb per surface acre of water, every 2 weeks.
