DESCRIPTION

Say goodbye to muck and unpleasant odors with ClearLake Muck Eliminator! This advanced formula is specifically designed to tackle muck-related issues throughout the entire body of water. Packed with highly concentrated and specialized bacteria strains, it works tirelessly to break down muck and eliminate foul smells. Each 8 oz dose is conveniently packaged in water-soluble bags for easy application and spreads easily across the pond's surface.

DOSING APPLICATION

Initial Application:

6 lb per surface acre of water.

Maintenance Application:

2 to 3 lb per surface acre of water, every 2 weeks.
