# AerLock™ Security Kit

## Product Details

### SKU

**40.1062**

### INCLUDES

» 36" cable with attached aluminum anchor bullet

» 36" steel anchor rod

» Master lock and key set

» Eye bolt

**Extra Security for Cabinets in Public Locations**

**Easy Installation**

**Fits all Models of Aeration Systems**

### DESCRIPTION

Secure your aeration cabinet with the AerLock Security Kit, utilizing ground-anchored cables. This kit includes a durable magnum laminated steel master lock with a stainless-steel body cover for added strength. Designed for both durability and easy access to the system.

**Please note:** If you place an order that includes both an AerLock Security Kit and an Aeration System, the eye bolt will be installed on your cabinet.
